PreCom Receives Unified Communication Industry's Top Award for the Second Consecutive Year

*Technology Assurance Group Presents
PreCom with their
Sales Performance Award*

BOISE, ID - May 10, 2010—
PreCom, a leading unified
communications provider, announced
today that the company received
Technology Assurance Group's
highest award at the organization's
10th Annual Convention held in
Cancun, Mexico in April.
Technology Assurance Group
(TAG), an international organization
of independently owned unified
communications companies in the
United States and Canada, selected
PreCom as the winner of their highly
sought after "Sales Performance
Award".

This distinguished award
presented to TAG's top Member
organization is based on overall
financial performance, customer
satisfaction, sales growth and the
ability to provide cost effective
unified communication solutions that
protects a customer's investment
against technology's obsolescence
and unexpected costs. "PreCom
continues to provide guidance to all
TAG members migrating to the true
provider of completely integrated
data and voice solutions. This highly
respected organization offers
customers true managed services
capacity by providing solutions
designed to increase customer
profitability and employee
productivity, while offering a

competitive advantage," said Dale
Johnson, president of Technology
Assurance Group. "We are very
fortunate to have a company like
PreCom in our group for other
technology providers to model
themselves after."

Heidi and Jim Woodhead
accepted the award for the company.
"Our primary objective in every
relationship is to understand
customer needs first and then deliver
customized solutions that exceed
their expectations. This consultative
approach is backed by an exceptional
team of highly skilled professionals,"
commented Heidi Woodhead, Vice
President of PreCom. "By servicing
our customers in this fashion we
have differentiated PreCom in our
marketplace and raised the bar for
other technology providers. We're
extremely proud of our efforts and it
shows that our hard work has paid
off."
