Dear Mr. Woodhead,

I would like to take a few moments of your time to express my gratitude for the high quality and outstanding service PreCom has provided for the last 10 years.

In the service industry one hears too often about their failures and not often enough do they hear when their performance has exceeded the expectations of the customer.

As an organization, PreCom has never lost sight of its commitment to service, quality and fairness. Your team has performed all of our cabling with great attitude, loyalty and always on schedule.

Thanks once again for being our cable vendor of choice.

Sincerely,

Robert Switzer
