We're Retiring!

Dear customers and suppliers,

Jim and Heidi Woodhead, owners of Precision Communications, Inc. dba PreCom have some exciting news to share with you. After 26 years in business, we have decided to retire! With the U.S. economy booming and the Treasure Valley exploding with growth and new business opportunities, we thought this would be an excellent time to retire on a high note.

On **August 16, 2019** James D. Woodhead and Heidi Woodhead will no longer be responsible for the debts of Precision Communications, Inc. dba PreCom and revoking our personal guarantees.

Our business was purchased by Mr. Randy Schlemmer and with the help of our excellent team, you will continue to receive the highest quality service and maintain the valued relationships created. Jim and Heidi will make appointments to introduce Mr. Schlemmer to you prior or just after the sale in August.

All staff members will continue employment with the new company, Precision Communications Holdings, LLC dba PreCom. *PreCom's address, phone numbers and all employee contact information will remain the same.*

The Woodhead's will be involved for a period of time to ensure a smooth transition to Randy Schlemmer and his team. We are available for any questions you may have.

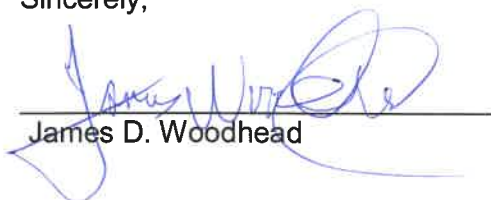

Jim and I would like to thank everyone for your business the last 26 years and know that you will be in good hands under the new ownership.
