December 31, 2015

To our wonderful customers,

Precision Communications, Inc. dba PRECOM would like to announce the sale of their Business Telephone Division to a successful local business owner, Beverly Fearn, with Phone Works on Dec. 31st. Phone Works has been in business in the Treasure Valley for several years and will continue sales and service of TOSHIBA and Freedom Voice telephone solutions. PRECOM is confident that customers will be well taken care of with continued availability of products and service. Phone Works will retain the telephone staff to ensure a smooth transition, knowledge of existing systems and continued relationships.

Beverly Fearn is very excited about the growth of her business and looks forward to meeting all her new customers in the upcoming weeks.

PRECOM took time in finding a competent buyer. It was extremely important to us that our staff and phone customers are well taken care of. PRECOM will continue their core business in Structured Cabling and are looking forward to expanding into another area that compliments their cabling business.

Jim and I would like to thank our customers and appreciate everyone's business in the past years and know that they will be good hands under the new ownership.

If you have or receive an invoice from PreCom, please pay PreCom for closeout.

Phone Works contact information is below. If service is needed, please use that email address.
