To Whom it May Concern:

It gives me great pleasure to recommend Precision Communications (Pre Com) to your firm. I have worked with Pre Com for more than 20 years. The level of professionalism and knowledge Pre Com brought to our projects has been outstanding, and no doubt a contributing factor to the overall success of the projects.

Working with individuals like Mr. Woodhead, and his team of highly skilled technicians, is a delight for any Project manager. They were very flexible, and understood that changes are always going to happen, and worked diligently to have the projects completed on time. It's a great pleasure to have Precision Communication work with us throughout the years.

If you have any questions, please feel free to contact me.

Sincerely,

Ronald D. Grove, Jr.
President
