Mr. David S. Howard
PreCom
710 S Orchard St.

Dear David:

I want to take a moment to personally thank you for all the professional services you and your staff provided to Whole Foods in Boise. We depend on our phone system as well as our sound system to work reliably and to display an upscale grocery store environment for our customers. Our team members count on efficient, reliable communications to assist our guests and we can recognize other companies that have a great team too. From the initial cabling of our systems to the design and installation of the equipment, PreCom was certainly one of our Vendors that performed on time and better than expected.

We sincerely appreciate our business relationship and look forward to many years of working together.

Sincerely,

A handwritten signature in black ink that reads "Bruce Green".
